Re: CC Docket No. 94-102; RM-10715; ex parte communication

Dear Ms. Dortch:

The following representatives of the National Emergency Number Association (“NENA”) met today with Commissioner Abernathy and her Senior Legal Advisor, Jennifer Manner: President Richard Taylor, Second Vice President David Jones, Operations Director Rick Jones; and the undersigned, as counsel.

We discussed the report of an independent task force on emergency responders sponsored by the Council on Foreign Relations, titled “Drastically Underfunded, Dangerously Unprepared” and released today. We expressed appreciation for the Commission’s call for public comment on NENA’s petition for rulemaking (RM-10715) on release of customer-specific information to emergency responders. We reviewed Phase II implementation in North and South Carolina, particularly the Commission’s intervention in Greenville-Spartanburg to resolve differing interpretations of cost responsibility.

Sincerely,

James R. Hobson
